

Monday, March 30

08:00 **Accreditation and Welcome**

09:00 [Auditorium] **Ming Lin** - *Socially Responsible and Trustworthy AI*

10:00 **Coffee break**

10:30

[Auditorium] **Ricardo Baeza-Yates** - *Introduction to Responsible AI (1/2)*

[Amphitheater 2] **Thomas Breuel** - *Reasoning, Values, and Alignment in Large Language Models (1/2)*

12:00 **Lunch**

13:15 [Auditorium] **David Danks** - *Trustworthy AI in an Untrustworthy World*

14:15 **Coffee break**

14:45

[Auditorium] **Carlos Castillo** - *Algorithmic Fairness in High-Risk AI Applications (1/2)*

[Amphitheater 2] **Alan Dix** - *AI for Social Justice (1/2)*

16:15 **Short break**

16:30 [Auditorium] **Symposium**

Jann-Paul Engler - Bias Preservation, Bias Correction, and the Possibility of Fairness

Thomas Huber - Beyond Ground Truth: Evaluating AI Systems under Conditions of Rational Disagreement

Michelle Miao - Judgment without Reasoning: When Algorithms Enter Court Rooms

Lukasz Sumlinski - The Extended Mind in Financial Decision-Making: The Impact of AI Support, Numeracy, and Trust in Algorithms

Tuesday, March 31

09:00

[Auditorium] **Carlos Castillo** - *Algorithmic Fairness in High-Risk AI Applications (2/2)*

[Amphitheater 2] **Alan Dix** - *AI for Social Justice (2/2)*

10:30 **Coffee break**

11:00

[Auditorium] **Ricardo Baeza-Yates** - *Introduction to Responsible AI (2/2)*

[Amphitheater 2] **Thomas Breuel** - *Reasoning, Values, and Alignment in Large Language Models (2/2)*

12:30 **Lunch**

13:45

[Auditorium] **Susan Brennan** - *Where Are the Humans in Human-Centered AI? (1/2)*

[Amphitheater 2] **Elia Formisano** - *Auditory Cognition in Humans and Machines (1/2)*

15:15 **Coffee break**

15:45 [Auditorium] **Debate 1**

Gianmarco Casciotta - Between Persuasion and Manipulation: Autonomy, Limited Rationality and the Normative Power of AI-Driven Digital Architectures

16:45 **Short break**

17:00 [Auditorium] **University of Maia** - *Designing AI-Competent Universities: The AI-ERIT Framework for Administrative Transformation*

Wednesday, April 1

09:00

[Auditorium] **Christian Lebiere** - *Computational Cognitive Models of Human-AI Teaming (1/2)*

[Amphitheater 2] **Savannah Thais** - *Measurement for Safer AI (1/2)*

10:30 **Coffee break**

11:00

[Auditorium] **Susan Brennan** - *Where Are the Humans in Human-Centered AI?* (2/2)

[Amphitheater 2] **Elia Formisano** - *Auditory Cognition in Humans and Machines* (2/2)

12:30 **Lunch**

13:45

[Auditorium] **Marijn Janssen** - *Data and AI Governance - From Control to Trust* (1/2)

[Amphitheater 2] **Paul Smolensky** - *Symbol Processing in Transformers and Other Neural Networks* (1/2)

15:15 **Coffee break**

15:45 [Auditorium] **Debate 2**

Tamar Eilam - *The Consciousness Question*

16:45 **Short break**

17:00 [Auditorium]

LIACC - Cláudia Lima Costa - *Who Owns the Mind? Neuroethics, AI, and the Protection of Cognitive Freedom*

LASI - tba

Thursday, April 2

09:00

[Auditorium] **Christian Lebiere** - *Computational Cognitive Models of Human-AI Teaming* (2/2)

[Amphitheater 2] **Savannah Thais** - *Measurement for Safer AI* (2/2)

10:30 **Coffee break**

11:00

[Auditorium] **Marijn Janssen** - *Data and AI Governance - From Control to Trust* (2/2)

[Amphitheater 2] **Paul Smolensky** - *Symbol Processing in Transformers and Other Neural Networks* (2/2)

12:30 **Lunch**

UNIVERSIDADE
DA MAIA UMAIA

UNIVERSITAT
ROVIRA I VIRGILI

FEUP FACULDADE DE ENGENHARIA
UNIVERSIDADE DO PORTO

IRDTA
LUXEMBOURG - LONDON

Alces 2026

1st International School on the Cognitive, Ethical and Societal Dimensions of Artificial Intelligence

Porto – Maia, Portugal

March 30 – April 2, 2026
